

# ATAL SEHBHAGITA KENDRAS: ACTIVITIES

## SECTOR-WISE SAFETY AND SECURITY PLAN

Atal Sehbhagita Kendras (ASKs) Committee members of a particular area would call respectables, well-known

persons, community leaders representing all castes and religions, civil society members, intellectuals, academicians, and lawyers from their area for the meeting with the agenda of "Preparation of Area Safety and Security Plan". A significant female representation is a must; ASK Committee members would be the moderator of the meeting and raise point-wise issues mentioned in the security plan template; collect, summarize and log the same in the form; and draw a map or take a google map of the area and mark all the locations which are crucial from the safety and security point of view.

### OBJECTIVES

- ❖ To identify concerns existing within the community pertaining to crime and law & order;
- ❖ To identify the nature of criminal activities (offense profile) and factors influencing these;
- ❖ To identify the locations and areas with high proneness towards crime;
- ❖ To identify solutions; and,
- ❖ To list initiatives to be taken for crime prevention and safety.
